Personal Interest Statement:

Please use the space below to respond to the question. Please brainstorm your response on a scratch sheet of paper and write your final draft in black or blue ink. Responses are not to exceed 5 sentences.

“Why do you want to enroll in your first choice Academy? How does this Academy’s program of study inspire you?”

Commitment Statement:

By signing below, I am committing to attending an Academy, if admitted. I understand that there will be no withdrawals from the Academy except at the end of a semester.

I understand that if I am admitted into an Academy that is not located in my zoned area, I will be withdrawn from my currently zoned school and transferred to the Academy high school for the 2019-2020 school year. I acknowledge that this transfer will make me a member of the school into which I am enrolled, allowing me to fully participate in all academic and extracurricular activities. I understand that if I choose to leave the Academy after the first day of school and wish to play sports, I will be subject to the rules of the TSSAA.

I understand that if I commit to attending an Academy outside of my zone that is not partnered with my zoned school for bus transportation, it will be my responsibility to secure transportation to and from school in a timely manner. Frequent tardiness, high absenteeism, poor academic performance, and excessive disciplinary infractions for any Academy student may result in a transfer back to his or her zoned high school or removal from Academy program within the student’s zoned high school.
