

CMCSS RETURN TO SCHOOL/WORK FLOWCHART

***Close contact**- any individual who was within 6 feet of an infected person for at least 15 minutes starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated.

****Household contact** - an individual who shares any living spaces with a case. This includes bedrooms, bathrooms, living rooms, kitchens, etc.

ANY EMPLOYEE OR STUDENT WITH A KNOWN HOUSEHOLD MEMBER THAT HAS BEEN TESTED FOR COVID-19 FOR ANY REASON SHOULD REMAIN AWAY FROM THE WORKPLACE/SCHOOL UNTIL THE HOUSEHOLD MEMBER RECEIVES TEST RESULTS.

This guidance is from the TDOH.
